

WE BELIEVE THAT MUCH OF OUR NATION'S TALENT IS HIDDEN IN PLAIN SIGHT: PEOPLE IN OVERLOOKED COMMUNITIES WHO MAY LACK THE OPPORTUNITIES—BUT NOT THE MOTIVATION OR INTELLECTUAL CURIOSITY—TO SUCCEED IN THE GROWING TECH SECTOR.

### OVERVIEW

Through rigorous and tuition-free technology training and professional development, we prepare motivated and curious adults who are un- or underemployed for transformative careers in technology, and we create onramps to businesses in need of their talents.

- Since 1995, Per Scholas has trained **10,000 individuals**, spurring economic development in their communities.
- The results are clear: **Per Scholas is producing positive and lasting impacts related to the income, reliance on public benefits, and even the overall well-being of our students.**
