

25 YEARS OF OPENING DOORS TO TECH CAREERS

Per Scholas prepares motivated and curious adults who are unemployed or underemployed with the technical and business skills to launch successful careers in technology.

In 2020 Per Scholas will open doors to tech careers for over 2,500 individuals across the county .

EVIDENCE-BASED TRAINING

The outcomes of our graduates are our measurement of success.

OUR MODEL OF SUCCESS

Per Scholas offers **FREE training** courses -- in subjects including IT Support, Cybersecurity and Software Engineering-- which provide graduates with the skill set to enter IT/Tech careers.

At least **20%** of training time in all courses is devoted to developing essential business skills.

Students benefit from both in-house **wraparound services** and referrals to local community partners.

Nationally, graduates have been placed with our **500+ employer partners** -- including DCi Technology Solutions, Charter Communications, and Barclays.
