

**About Per Scholas**

Per Scholas is a national nonprofit that drives positive and proven social change in communities across the country. Through rigorous and tuition-free technology training and professional development, we prepare motivated and curious adults who are un- or underemployed for successful careers as IT professionals, and we create onramps to businesses in need of their talents. Today we provide our solutions in six cities across the country: Atlanta, GA; Cincinnati and Columbus, OH; Dallas, TX; the National Capital Region, and New York, NY. To date, Per Scholas has trained 6,000 individuals, helping them build lasting, life-changing skills and careers in technology.
